This is a large grid intended for a calendar page. The grid is composed of small squares. On the right side of the grid, there is a vertical axis with numerical labels from 6 to 24, representing hours. A vertical bar runs through these numbers. Horizontal lines are drawn across the grid at the 14 and 20-hour marks. On the left side of the grid, there is a vertical column of small squares, each corresponding to a row in the main grid.

The image displays a vertical calendar page for Monday, March 11, 2022. The page is set against a light gray background with a fine dotted grid. At the top, the date '11 | 28 MON' is printed in a large, bold, black font, and the year '2022' is positioned to its right. On the right side, a vertical timeline is shown, with a thick gray bar and white circular markers for each hour from 6 to 24. Horizontal lines extend from the 14 and 20-hour marks across the grid. On the left side, a vertical column of 20 empty checkboxes is aligned with the hourly markers. The text 'pdf de calendar' is printed vertically on the far left side of the page.
