A large grid of dotted lines for planning or scheduling. The grid is 24 rows high and approximately 18 columns wide. A vertical gray bar is positioned on the right side of the grid, containing small white circles at each row level. Two horizontal lines are drawn across the grid: one at row 14 and another at row 20. The top-left corner of the grid is covered by a blue header containing the text '6 | 28 SUN' and '2020'. On the left edge, there is a vertical list of 24 empty checkboxes, one for each row. On the right edge, there is a vertical list of numbers from 6 to 24, corresponding to the rows. The text 'pdf de calendar' is written vertically on the left side of the page.

The main body of the calendar page is a large grid of dashed lines. There are horizontal lines separating the rows at the 14th and 20th positions, corresponding to the numbers 14 and 20 in the right-hand column. The grid provides space for writing or scheduling throughout the day.

The main area of the page is a vertical grid of dotted lines. On the left side of this grid, there is a vertical column of 19 empty square checkboxes, starting from the top and extending down to the level of the number 19. On the right side, there is a vertical axis labeled with numbers from 6 to 24 in increments of 1. A thick vertical grey bar runs along this axis, with small white dots at each number. Two solid horizontal lines are drawn across the grid: one at the level of number 14 and another at the level of number 20.
