The image shows a grid representing a 24-hour day. On the left, a vertical grey bar with a white dot at the top is labeled from 6 to 12. On the right, another vertical grey bar with a white dot at the top is labeled from 12 to 18. A central column of small, empty square checkboxes is positioned between the two bars, spanning from the 6 o'clock mark to the 18 o'clock mark. The grid is composed of horizontal and vertical dotted lines.

The grid consists of two vertical columns of numbers. The left column contains numbers 6, 7, 8, 9, 10, 11, and 12, each next to a vertical grey bar with a dot at the top. The right column contains numbers 12, 13, 14, 15, 16, 17, and 18, each next to a similar grey bar. Between these columns is a large area of dotted grid paper. Small squares are placed at the intersection of the vertical lines and the horizontal line corresponding to the number above them. For example, a square is at the intersection of the second vertical line and the horizontal line for '6'.

The image shows a large grid for time management, divided into two columns by a central vertical axis. Each column has a vertical time axis on the left side, marked from 6 to 12. The grid is composed of a 12x24 grid of small squares. The central vertical axis has a series of 12 checkboxes, one for each hour from 6 to 12. The grid is intended for scheduling or tracking activities throughout the day.

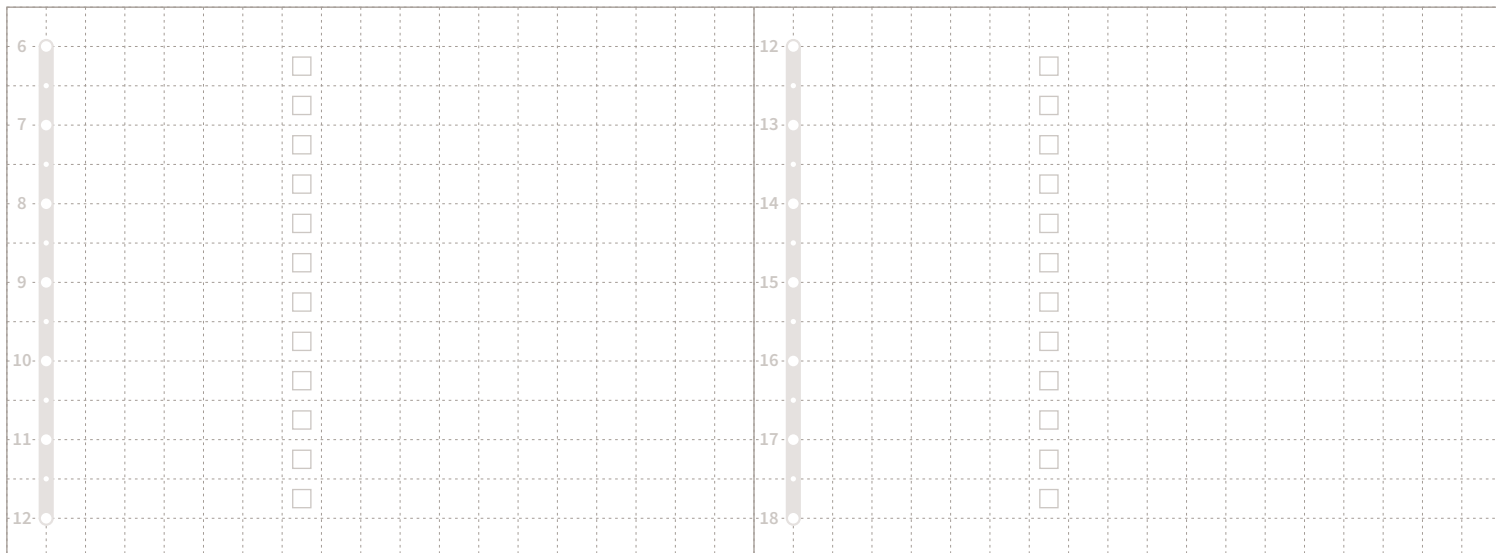

The image shows a grid of graph paper with two vertical axes. The left axis is labeled from 6 to 12, and the right axis is labeled from 12 to 18. Each axis has a grey vertical bar with a dot at every integer. Small squares are placed in the grid at the intersections of the horizontal lines and the vertical lines corresponding to the axis labels. The grid is composed of 12 columns and 12 rows.

The image shows a two-page spread of a graph paper template. The left page features a vertical axis on the left side with numbers 6 through 12. A vertical gray bar runs along this axis, with a small white circle containing a dot at each number. The rest of the page is a grid of 10 columns and 6 rows. In the second column from the left, there are ten small white squares, one in each row. The right page features a vertical axis on the left side with numbers 12 through 18. A vertical gray bar runs along this axis, with a small white circle containing a dot at each number. The rest of the page is a grid of 10 columns and 6 rows. In the second column from the left, there are ten small white squares, one in each row.

A large grid for drawing, divided into two vertical sections. Each section has a vertical axis on the left with numbers 6 through 12. The grid lines are dotted, and there are small square boxes at the intersections of the vertical axis and the horizontal lines.

The image displays a 24-hour grid for journaling. The grid is divided into two 12-hour columns. The left column covers hours 6 to 12, and the right column covers hours 12 to 18. Each hour is marked on the left side of its respective column with a dot and a number. A vertical grey bar runs through each dot. To the right of each hour's bar is a small square checkbox. The grid is filled with horizontal and vertical dotted lines, creating a grid of small squares for writing.

The image shows a grid of graph paper with two vertical axes. The left axis is labeled 6, 7, 8, 9, 10, 11, 12 (top to bottom). The right axis is labeled 12, 13, 14, 15, 16, 17, 18 (top to bottom). A vertical column of 11 small squares is drawn in the second column of the grid, spanning from the 6 level on the left axis to the 17 level on the right axis.

The image shows a grid with two vertical bars on the left and right sides. The left bar is labeled with numbers 6 through 12, and the right bar is labeled with numbers 12 through 18. A column of checkboxes is located in the middle of the grid, between the two bars. The grid is composed of a grid of small squares, with the numbers and checkboxes placed on the lines between the squares.

The image displays a two-column grid for journaling. The left column is for the daytime (6 AM to 12 PM) and the right column is for the nighttime (12 PM to 18 PM). Each column has a vertical axis of hours, with a dot for each hour and a corresponding checkbox in the adjacent column. The grid is overlaid on a background of horizontal and vertical dashed lines.

A grid of 24 rows and 30 columns. The left side (rows 6-12) has a vertical column with circles at the top of each row. The right side (rows 12-18) has a vertical column with circles at the top of each row. Each row in the middle section contains a square in the 10th column and another square in the 20th column.

This image shows a blank calendar grid for a 24-hour period, split into two 12-hour columns. The left column covers the hours from 6 to 12, and the right column covers the hours from 12 to 18. Each hour is marked with a dot on a vertical axis, and a corresponding square box is provided for notes or scheduling. The grid is composed of a fine dotted pattern.

The image shows a vertical calendar grid for the month of July 2020. It is divided into two vertical sections. The left section has a vertical bar with time markers from 6 to 12 in increments of 1. The right section has a vertical bar with time markers from 12 to 18 in increments of 1. A dotted grid extends to the right from these markers. Small square checkboxes are placed at each 15-minute interval along a central vertical line in the grid.

The image shows a large grid with dotted lines. On the left side, there are two vertical columns. The first column contains numbers from 6 to 12, increasing from top to bottom. The second column contains small square checkboxes, one next to each number. On the right side, there are two more vertical columns. The first column contains numbers from 12 to 18, increasing from top to bottom. The second column contains small square checkboxes, one next to each number.

A large rectangular grid for time management. It is divided into two vertical columns by a central dashed line. The left column has a vertical grey bar on its left edge with white circles and dots indicating hourly intervals from 6 to 12. The right column has a similar vertical grey bar on its right edge with white circles and dots indicating hourly intervals from 12 to 18. Each of the 12 rows contains a small square checkbox on the far left and another small square checkbox on the far right, positioned within the grid's columns.

The image shows a grid for time management. It consists of two vertical columns of time slots. The left column has slots for 6, 7, 8, 9, 10, 11, and 12. The right column has slots for 12, 13, 14, 15, 16, 17, and 18. Each slot is represented by a vertical bar with a dot at the top and a small square checkbox to its right. The grid is overlaid on a background of dotted lines.

A blank grid for writing answers, with a vertical column of checkboxes on the right side. The grid is divided into two columns by a vertical dashed line. The left column has a vertical axis on the far left with numbers 6, 7, 8, 9, 10, 11, and 12. The right column has a vertical axis on the far right with numbers 12, 13, 14, 15, 16, 17, and 18. Each row in the grid has a small square checkbox on the right side, aligned with the vertical axis numbers. The grid is intended for students to write their answers to the questions on the previous page.

Blank area for notes or additional information.

A handwriting practice sheet featuring two vertical columns of dotted lines for tracing. The first column on the left is labeled with numbers 6 through 12, and the second column on the right is labeled with numbers 12 through 18. Each number is positioned at the top of a vertical line. Between these two columns is a wide grid of 12 rows and approximately 15 columns of small squares, intended for independent handwriting practice.

A grid for a 24-hour clock. The grid is divided into two columns. The left column has vertical markers for hours 6, 7, 8, 9, 10, 11, and 12. The right column has vertical markers for hours 12, 13, 14, 15, 16, 17, and 18. Each hour marker is a grey vertical bar with a white circle at the top. To the right of each hour marker, there is a vertical column of 10 dotted lines. At the intersection of each dotted line and the grid, there is a small square checkbox. The checkboxes are arranged in two columns: the left column has checkboxes for hours 6 through 11, and the right column has checkboxes for hours 12 through 18.

A handwriting practice sheet consisting of a grid of dotted lines on a grid background. The grid is divided into two columns. The left column is labeled with numbers 6, 7, 8, 9, 10, 11, and 12. The right column is labeled with numbers 12, 13, 14, 15, 16, 17, and 18. Each number is followed by a vertical line with a dot at the top. To the right of each vertical line is a vertical column of small squares. The grid is designed to help children practice writing numbers and shapes.
