A large grid area for scheduling, divided into two columns. The left column has a vertical time axis from 6 to 12, and the right column has a vertical time axis from 12 to 18. Each column contains a grid of dotted lines with a vertical bar on the left and a column of checkboxes on the right.

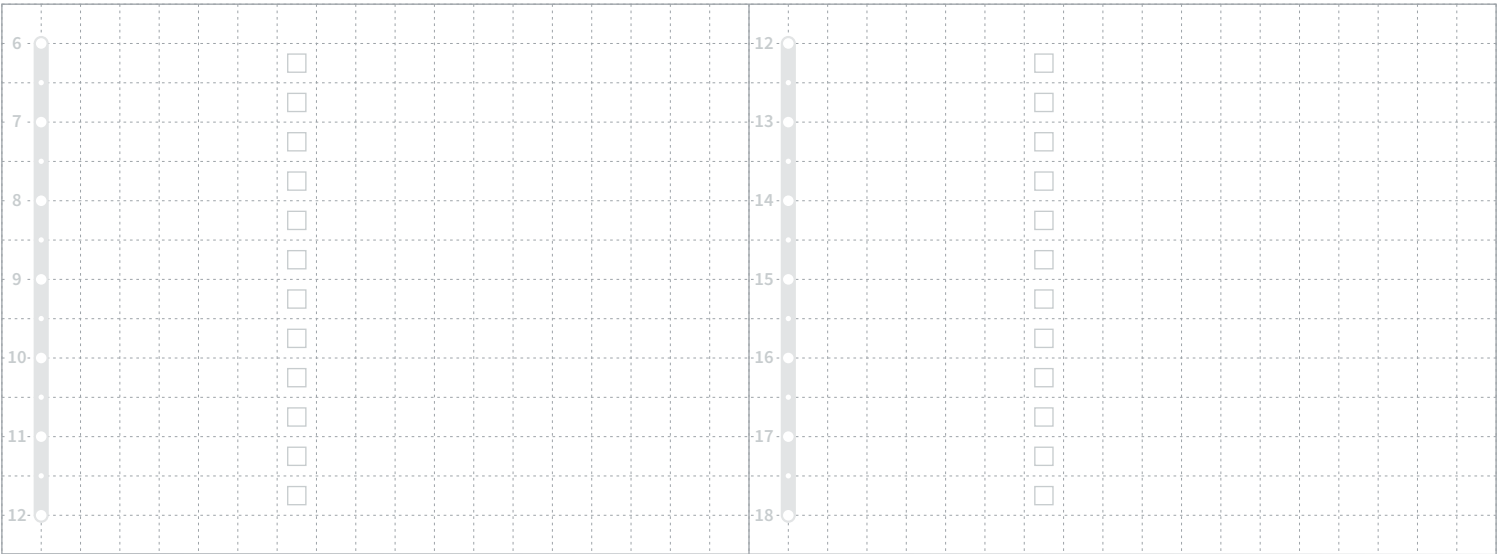

A calendar grid for the month of February 2021. The grid is divided into two columns. The left column contains dates 6 through 12, and the right column contains dates 12 through 18. Each date is marked with a grey vertical bar on the left and a small square box on the right. The grid is overlaid on a dotted background.

12										18									

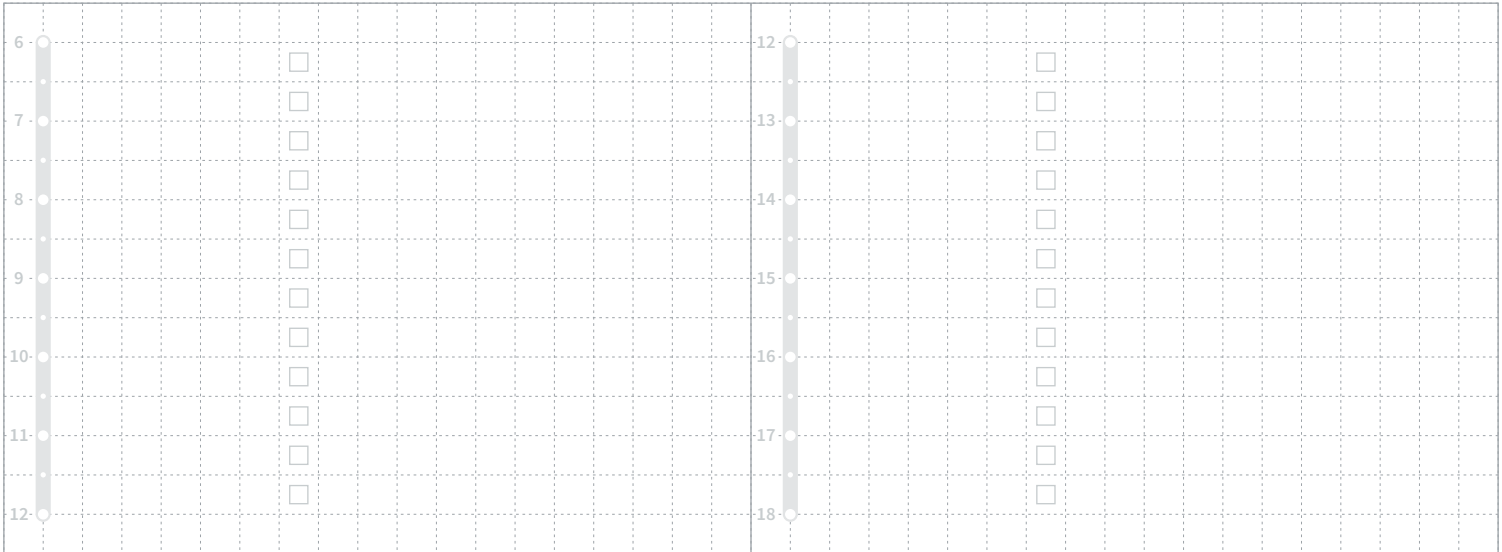

A handwriting practice sheet featuring two columns of dotted lines on a grid background. Each column is a vertical line with a solid grey dot at every integer interval from 6 to 12 on the left, and from 12 to 18 on the right. Small square checkboxes are positioned to the right of the dotted lines in each column, corresponding to each integer value.

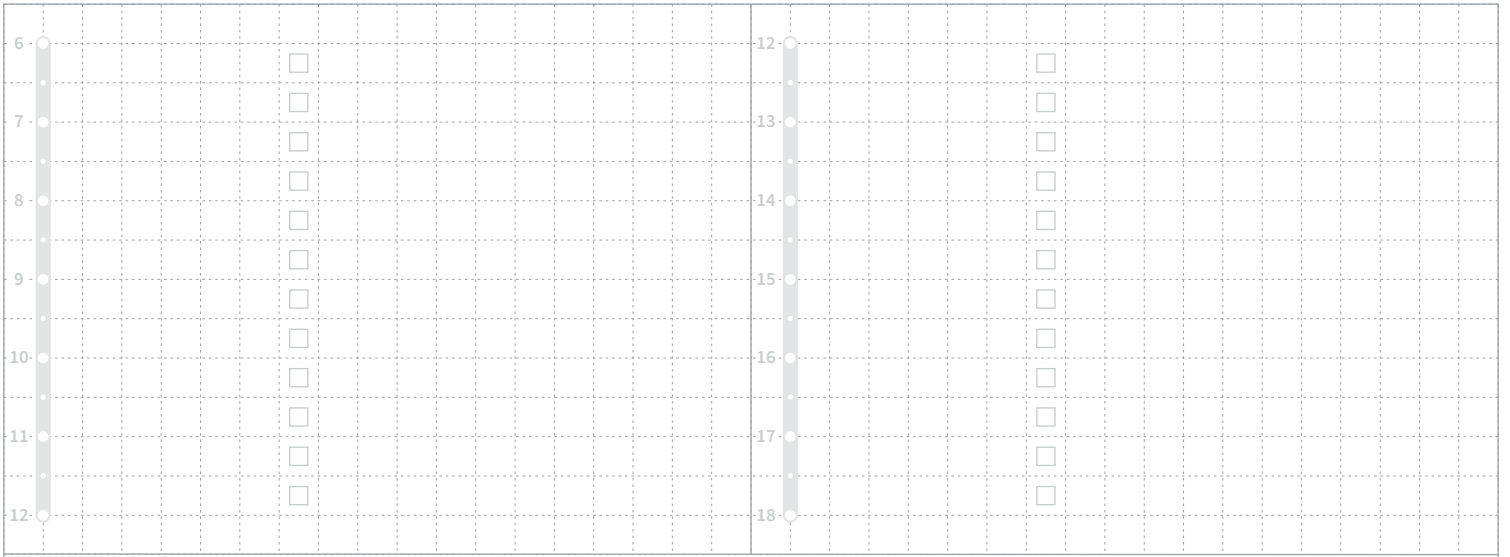

A writing area consisting of a grid of 18 numbered rows (6 to 12 on the left, 12 to 18 on the right). Each row is bounded by a vertical line on the left and a vertical line on the right, with a dotted line in between. Each row contains a small square box in the second column from the left and a small square box in the second column from the right.

This is a large grid for writing, featuring two vertical columns of numbers on the left and right sides. The left column contains numbers 6 through 12, and the right column contains numbers 12 through 18. A central column contains 13 empty checkboxes, one aligned with each number in both columns. The rest of the grid is empty with light gray dashed lines.

A large grid of graph paper with a vertical axis on the left and a vertical axis on the right. The left axis is labeled 6, 7, 8, 9, 10, 11, 12 from top to bottom. The right axis is labeled 12, 13, 14, 15, 16, 17, 18 from top to bottom. Each axis has a gray vertical bar with a dot at each integer value. There are small squares in the grid, one in each row of the left axis and one in each row of the right axis, located in the second column from the left and second column from the right respectively.

This activity grid is designed for a dot-marker exercise. It features two vertical number lines on the left and right sides, each ranging from 6 to 12. The left number line has dots at every integer, with a grey vertical bar to its left. The right number line also has dots at every integer, with a grey vertical bar to its left. Between the two number lines, there are two columns of checkboxes. The first column has checkboxes aligned with the numbers 6 through 11, and the second column has checkboxes aligned with the numbers 12 through 17. The grid is overlaid on a background of dotted lines.

The grid is designed for handwriting practice. It features two vertical columns of numbers, one on the left and one on the right, ranging from 6 to 12 and 12 to 18 respectively. Each number is positioned at the top of a row of ten horizontal dotted lines. To the right of each number column is a vertical column of ten small squares, aligned with the horizontal dotted lines. The rest of the grid consists of a large area of horizontal and vertical dotted lines forming a grid pattern.

The image shows a grid for a math test. It consists of two vertical columns of numbers and two rows of checkboxes. The left column contains numbers 6 through 12, and the right column contains numbers 12 through 18. Each number is positioned at the top of a row, and a small square checkbox is located in the second column of each row. The grid is overlaid on a background of dashed lines.

The top section of the page features a large grid designed for time tracking or journaling. It is divided into four vertical columns by vertical dotted lines. The first and third columns serve as time indicators, with each row labeled on the left side of the column. The second and fourth columns contain a vertical column of small, empty square checkboxes, one for each row. The rows are numbered from 6 to 12 on the left and from 12 to 18 on the right. The grid is overlaid on a background of horizontal and vertical dotted lines.

This section of the page is a time management grid for the date 10/27/2021. It is divided into two vertical columns, each with a grey bar on the left side indicating the time slots. The left column covers the time range from 6:00 to 12:00, and the right column covers the time range from 12:00 to 18:00. Each hour on the left column has a corresponding checkbox, and each half-hour on the right column has a corresponding checkbox. The grid is overlaid on a background of dotted lines.

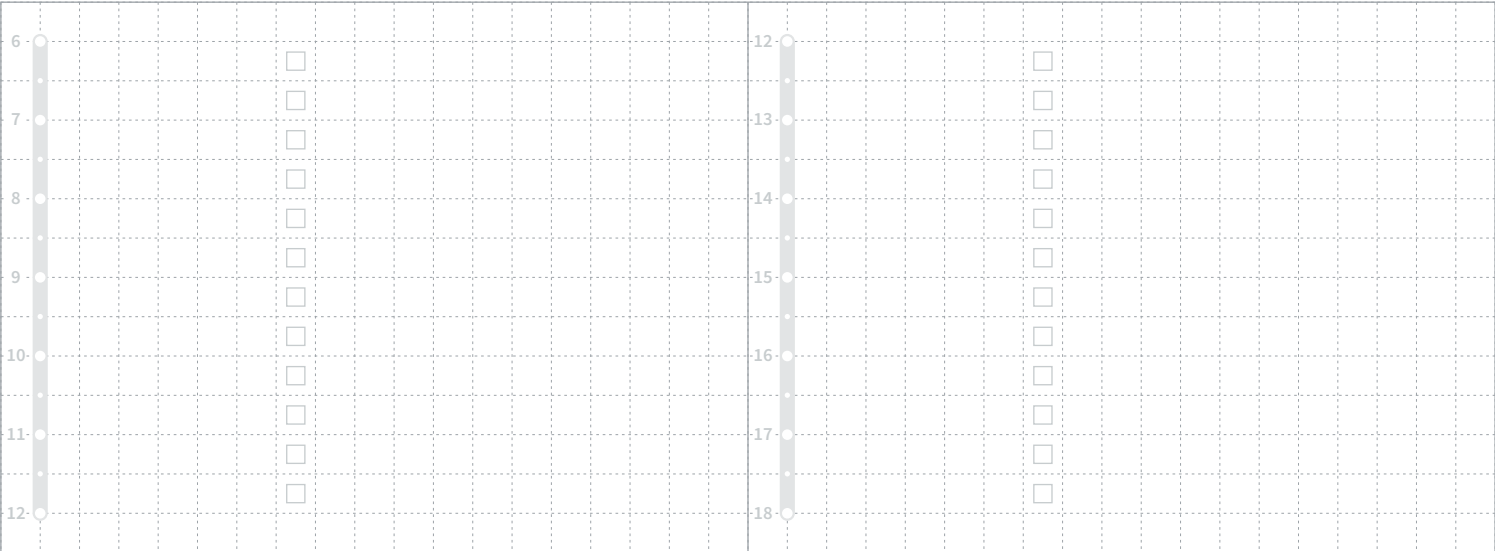

A large grid for handwriting practice. It features two vertical columns of numbers on the left and right sides, each with a grey bar and a white circle at the top. The numbers are: 6, 7, 8, 9, 10, 11, 12 on the left; and 12, 13, 14, 15, 16, 17, 18 on the right. Between these columns is a grid of dotted lines for writing practice. Small squares are placed at the top of each row in the second column from the left and the second column from the right.

The image shows a 24-hour grid with two vertical columns of hour markers. The left column has markers for hours 6 through 12, and the right column has markers for hours 12 through 18. Each hour marker is followed by a vertical dotted line. The grid consists of 24 columns (two for each hour) and 12 rows (one for each hour). Small square checkboxes are present at the intersections of the hour columns and the rows.

The image shows a grid for time management. It features two vertical time axes, one on the left and one on the right, both ranging from 6 to 12. The left axis is labeled with 6, 7, 8, 9, 10, 11, and 12. The right axis is labeled with 12, 13, 14, 15, 16, 17, and 18. Each axis has a grey vertical bar with a white dot at each hour mark. The grid is composed of a 12x12 grid of squares, with the top row corresponding to the 6-7 hour interval and the bottom row to the 12-13 hour interval. The grid is overlaid with a dotted pattern.

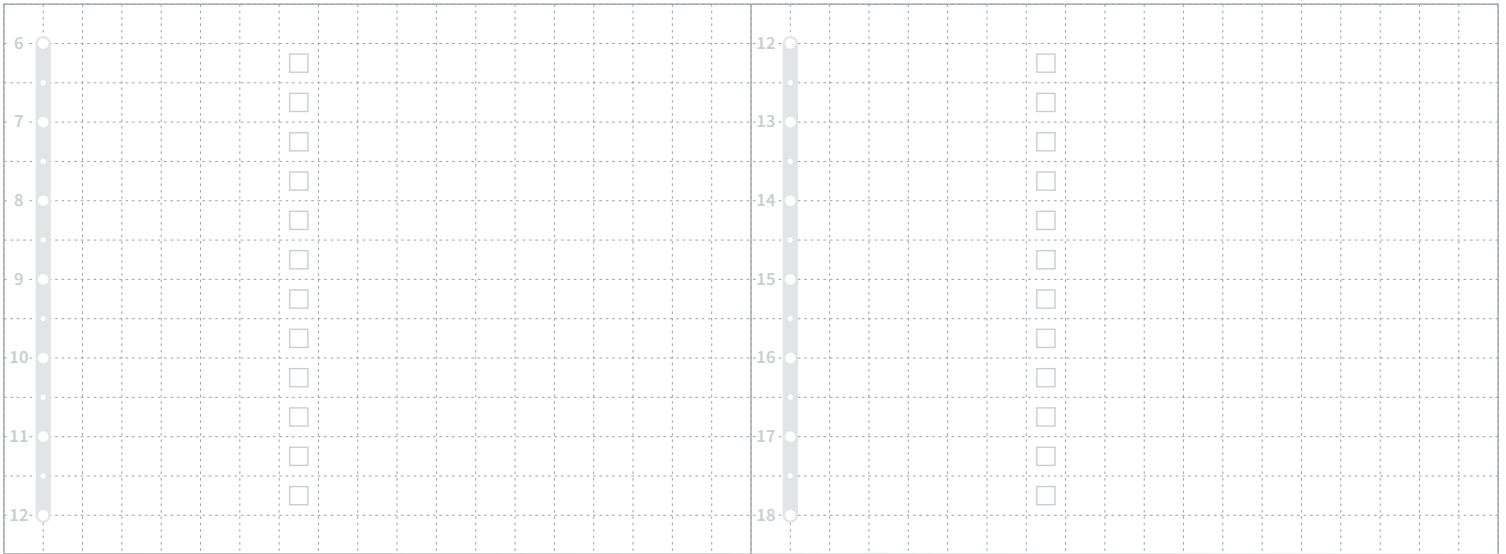

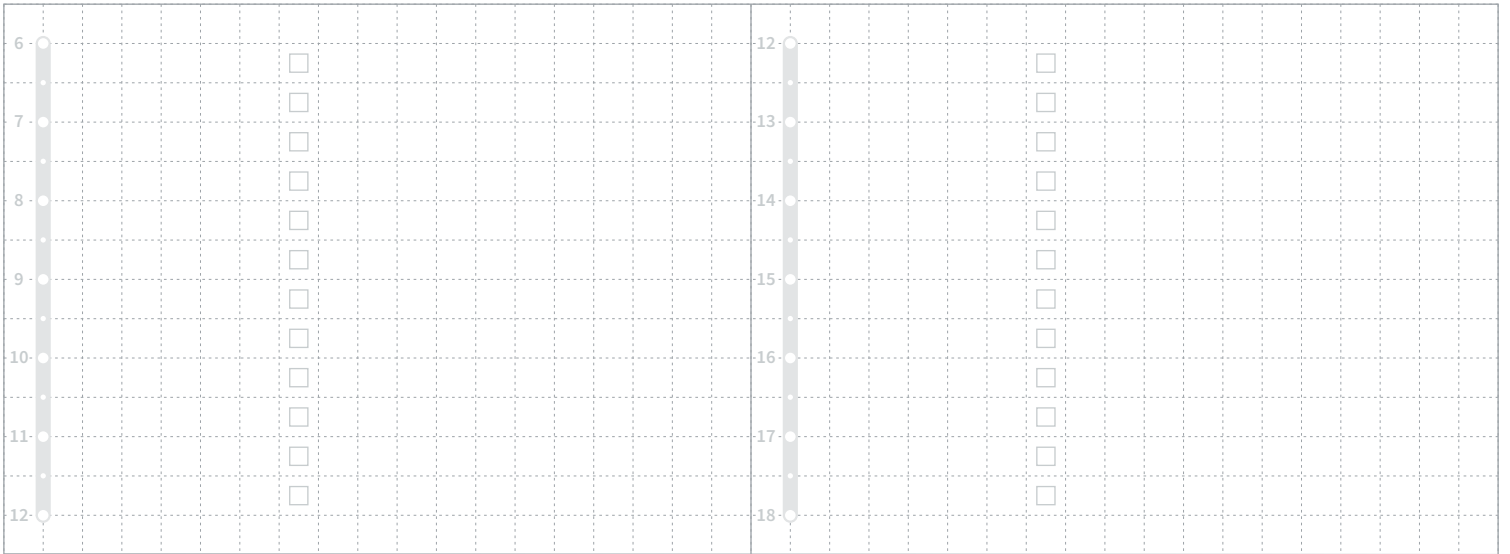

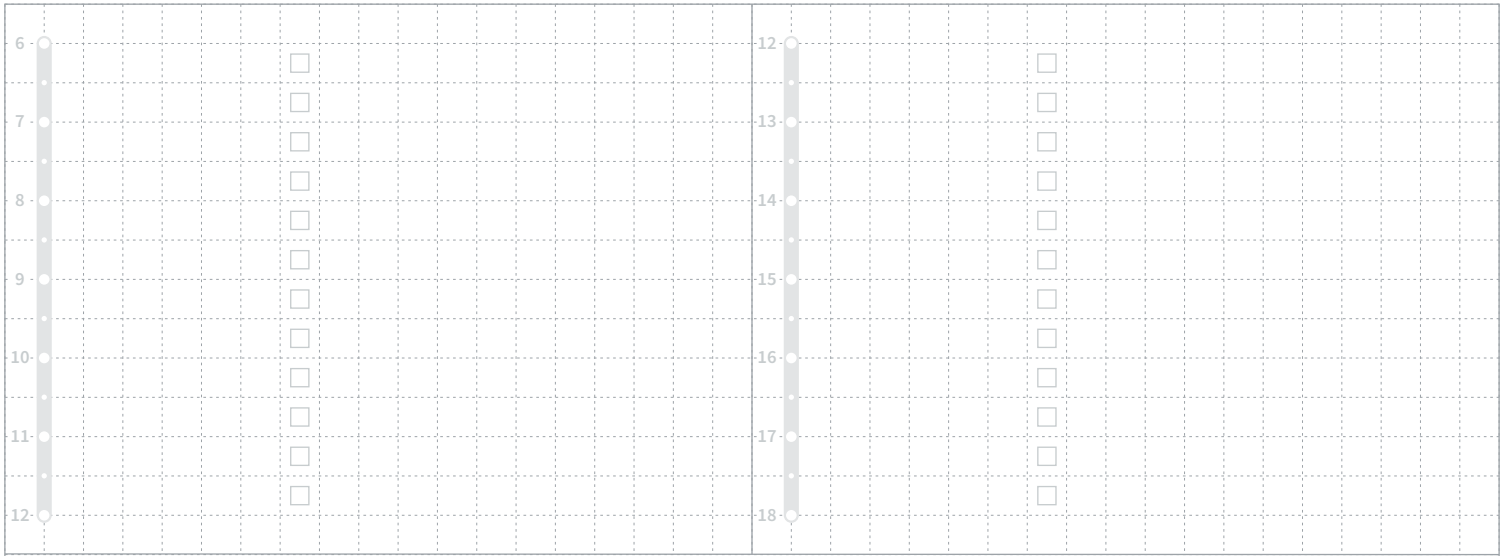

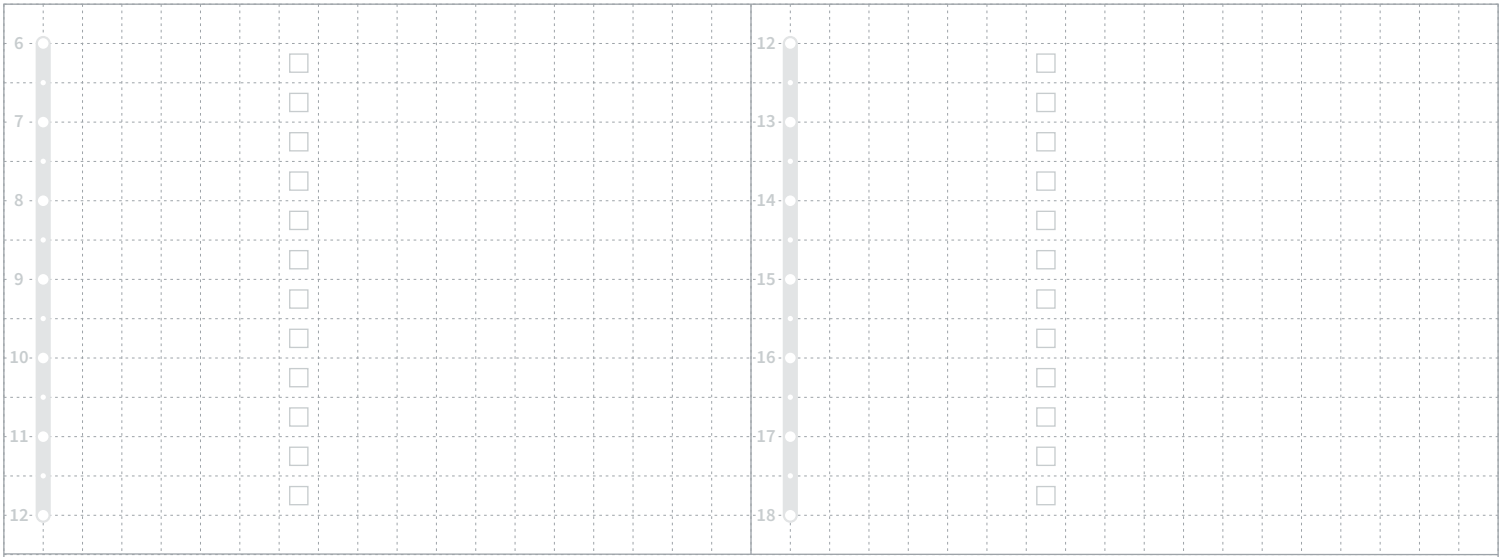

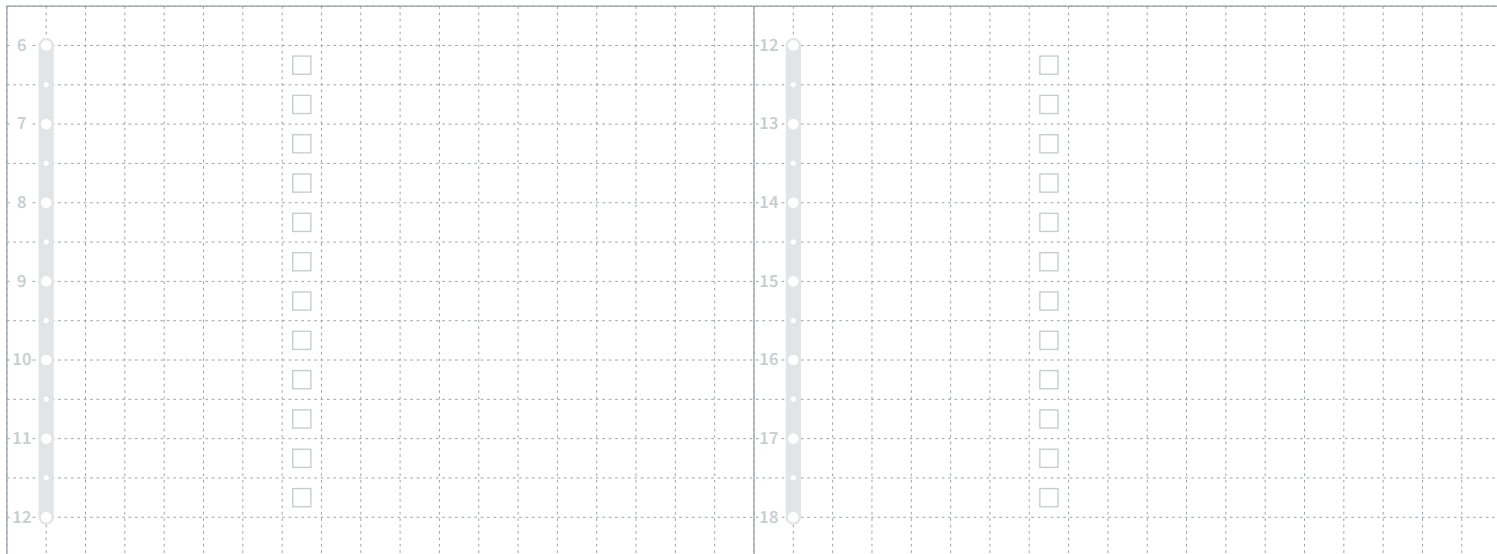

A grid for scheduling or notes, organized into two columns of 12 hours each. The left column covers the time from 6 to 12, and the right column covers the time from 12 to 18. Each hour is marked with a dot and a square box for writing.

This image shows a grid for a 24-hour clock. The grid is divided into two vertical sections. The left section covers hours 6 through 12, and the right section covers hours 12 through 18. Each hour is represented by a vertical bar with a circle at the top and a dot at the bottom. To the right of each hour bar is a vertical column of 12 small squares, each with a dotted line to its left, representing minutes. A checkbox is located at the top of each minute column. The grid is designed for marking activities or events throughout the day.

A 12x12 dot grid for time management. The grid is divided into two vertical sections. The left section has a grey bar on the left edge with white circles at the 6 and 12-hour marks. The right section has a grey bar on the left edge of its section with white circles at the 12 and 18-hour marks. In both sections, there are white squares on the horizontal grid lines corresponding to the hours 6 through 12.

The grid consists of two columns of numbers on the left and right sides, each ranging from 6 to 12. A vertical grey bar is positioned to the left of each column. Between the two columns, there are two vertical columns of small square checkboxes. The top row of the grid is numbered 6, and the bottom row is numbered 12. The grid is used for writing answers to multiple-choice questions.
